Hard to explain the job but it is labor intensive, I need some help for a day or two depending on how long it takes We have received a shipment of 50 lbs boxes that all need to be opened and the serial numbers for each item written on a form. A picture taken for each than re-stacked. The boxes weight 50 lbs each and they all have to be taken down from a palled or stack opened and than all placed back the way they cam in. It is a temp position \$10 an hour cash at end of day, No smoking building 8 hours on Saturday 10-5 lunch is included just Pizza and drinks. Text me at 330-321-300two we might try to get some of it done earlier. Tuesday night 6-10 pm Its not super hard work but it is tedious so if you are looking for extra \$\$\$ I will only respond to texts 10-8pm
