I am a recent college grad and need pictures to complete my portfolio. I'm looking for a model to do basically two separate shoots preferably on the same day. The first is a pretty basic black background, b/w, artistic nude shoot. The other is a glamour nude. I am hoping to get these shot by next weekend. There may also be additional work in the future if we work well together.

What I am looking for:

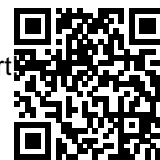

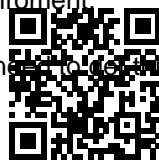

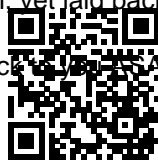

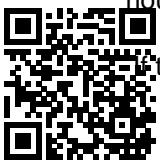

- * A caucasian woman (I'm not racist, the contrast in b/w is better)
- * You definitely don't have to be a super model, but if you have never been told you are attractive or body is not proportionate I will probably not choose you.
- * Some one over 18 and somewhat close to my own age. I'm 23 and may have directing a woman that's my mother's age. I don't have an age limit, but use common sense.
- * Lastly and most importantly I need someone who can be on time, take direction and will bring a good attitude.

What I need from you:

- * At least one current headshot. It is important to know your current hair color and how you wear makeup.
- * At least one, preferably a few (back and front....maybe profile) of you in the undergarments you will wear from the glamour shoot. Oh sorry I failed to mention that. I do not have a makeup person or a wardrobe. Sorry I'm on a budget and would rather pay you than someone else.
- * A few full body nudes, at least include one posing straight on and a profile (something in a relaxed pose would be helpful as well). It is a nude shoot and I need to see what we have to work with. If I didn't say this before, none of the pictures have to be professional, but please make them clear.
- * Basic information like your name, age, hair color, eye color, age, contact information, when you are available.....and anything else you'd like to share.

In return for posing for me I will give you \$500 and copies of the finished product for your portfolio. It will not take more than 4 hours, I promise. Actually closer to two hours if the background change works as planned. I will also provide a professional, vet laid back environment.

If this interests you, please email me over all the photos, material and how to get back to me ASAP. I need to complete my portfolio.
