Need a entry level or journey level hardwood flooring laborer. Shoot me an email and tell me about your skills, hobbies and where you're headed. Check plus if you're currently in college or have a college degree.

We do install, sand and finish, base and case. The work is hard but rewarding. The atmosphere is collaborative and easy going as long as there is sweat on your brow. We are a sober crew. No beers at lunch, we are NOT 420 friendly.

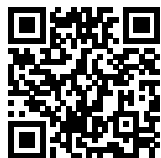

Thank you,

Brian
