With the proposed Swanton Wind Project scheduled to overshadow Fairfield Pond, many in the community have been educating ourselves about wind and how it will affect our town and it's people, property values, taxes and electrical rate hikes, wildlife and more. In this documentary, learn more about industrial wind turbines and what happened in Meredith, NY, a tiny community similar to Swanton and Fairfield. Hear both sides of the story of a community divided over wind turbines.

This 84 minute movie will address and answer many of your questions and concerns.

Roger Ebert wrote this about the movie:
