Parting out our 98 ranger... Tranny took a dump...

Motor has less then 500 miles on it so still not quite broke in yet...

It is complete block, heads, intake, covers, throttle body, injectors, coil/wires, and manifolds...

So is a little more assesories then most come with...

These are going for \$600-\$1000...

We are selling it for \$500 firm.. Cash in person only....
