Hi! My name is Patchee and I'm a tall lanky boy with BIG feet! I am about two years old now and I weigh 70 lbs. The volunteers at the shelter I came from, in NYC, describe me as '5 STARS...sweet, soft and snuggly'...yup, that's me. I am now crate-trained and walk nicely on a leash. My perfect day would be to wake up, run outside to do my business, as I do in my foster home, come in, have a snack while you have your coffee and then go play outside or go for a walk. I'm very easy. I would so much love it if you had another doggie for me to play with. The dog in the picture is my friend Princess and she was adopted several weeks ago and I am truly miserable without a dog to play with. So if you can, please have another dog, preferably a girl. I would be a great fit for any adoption situation. If you have kids, they need to be probably over 10 because I'm big and could really knock a small kid over...I am already neutered and up-to-date on my shots. Won't you consider me? Watch my video as I explore the yard!
