Hello my name is Holly. I am a stay at home (expecting again) mother of a wonderful 5 year old son named Dillon. We just recently moved to West Warwick from New Hampshire about a month ago. We live in a single family home on a quite dead end st with a wonderful fenced in yard. He has a monster playroom with endless amounts of toys as well as a swing set and outdoor toys to. Not a TV environment. When you come over you will see the toys and quickly understand why. The only TV time I typically will allow will be Mario/ mario kart and or bowling/mini golf on the Wii (interactive play for 30 min TOPS)

My son would love a playmate/best friend here. He goes to school from 11am till 1:30 Tuesday to Thursday but has full days off Monday and Friday. Looking to babysit someone around the same age give or take a few years. I would include healthy snack and the obvious lunch on the days that apply. Monday and Friday can be negotiated hours but hoping to baby sit after 1:30 Tues thru Thurs when he's out of school till when needed.

This is a pet friendly home. My son has 2 very friendly guineas pigs named dux and dorie. The kids love to feed them carrots and other veggies. Also I have a goofy hairy child named charlie. He is a black lab and great Dane mix. He is my son's best friend (well everyone's best friend). So friendly and literally adores kids. :)

My house is very clean and very kid friendly. This would be a wonderful opportunity for a family who needs a few hours in the day to get stuff done as well as to let the children have some fun and play.

If it's set days willing to do a daily rate or will do by hour if it's an on call or various days that will be different every week. And if it is a Monday to Friday looking to negotiate a weekly rate. Flexible considering I know how insane even part time care is now a days. Just give me a call text or email and we can chat. Thank!!
