

Missing Cat

Location **Rhode Island**

My cat escaped my backyard yesterday and has not returned home yet. We believe he squeezed through a gap in the fence. He wouldnt have been able to jump it because he's a 14 lb ragdoll. He is a mink bicolor ragroll, really friendly, fluffy and fat. He responds (sometimes) to the name Bacon. We believe he is in the woods of Buckeye Brook which is behind us or possibly near Warwick Ave, Stillwater Drive and Sandy Lane.
