Looking for people to write articles on a wide variety of subjects. Ideal candidate must be a great writer who knows how to draw in a reader with the title and keep them interested with the content. Must also have excellent grammar and punctuation.

In order to submit an article please do the following:

1. Select an area of expertise relating to the following:
  - a. style/fashion
  - b. home&gardening
  - c.travel&entertainment
  - d. family&parenting
  - e. extreme couponing
2. Type an article between 200-800 words, prefer bullets over paragraphs
3. Use examples from personal experience and infuse article with personality and wit
4. Submit article with LadyCoupon in the title to weed out spam

After our team receives your email your article, within 7 business days either your article will be accepted and you will receive \$12 in your paypal, or we will notify that your article is not what we are looking for and you can edit it or start from scratch.

Email for questions and for sample articles.
