I'm looking for pet sitters and dog walkers in Jackson, Kelly, Wilson, Driggs, and actually, all around us. As a local business founded here in Wyoming, and now a national internet success, I hope to showcase home town Jackson in a big way!

xcDOGS is a website to connect traveling pet owners with a local person near travel destinations who can watch pets for a while. This gives pet owners a chance to do activities pet-free and find a pet sitter for any amount of time - whether it be an hour or a day.

We were born in Jackson, and now we are looking for pet hosts in Jackson, and the surrounding areas to join the xcDogs community. You can be an early adopter of a national shared economy business started in Jackson! Lots of events are coming this summer, and folks will bring their pets, too. Art Assoc Fairs, Boy Scouts Elk Auction, Farmer's Markets, JH Writer's Conference: help these visitors with their pets, and earn money while you are at it!
