Hello I am a stay at home mother of 3 children ages 10, 7, and 17 months. I'm looking to provide after school care to some children in the area. I'm CPR AED and Hymlech certified. Before becoming a stay at home mom I was a dental assistant for almost 10 years. I have lots of experience with children being that I've been a mother for 10 years. When you come into my home you are part of the family :) I was a single mother for a small time when I was younger and I know that it's very hard to find a trustworthy place that doesn't cost as much as your rent. We have a very large backyard and nice home I love doing arts and crafts and love getting outside and playing with my children! We frequent the children's museum so if you have a pass for your child that would be awesome! We also have memberships to the zoo as well and children under 1 are free anyway! I'm hoping to keep the baby age close to my daughters age. My motto with kids is the more the merrier! I look forward to helping you and your family! ease feel free to call or text me at any time before 8 pm with any questions! Thanks T Dabney!
