Key Academics is a leader in providing professional in-home tutoring throughout the Delaware Valley at prices that are highly competitive. Readers of Montgomery Newspapers recently voted our tutoring "Best Of Montco" for 2015. We do not require a minimum number of sessions. Our goal is to get our students to the point where they become independent successful learners.

Our tutoring program builds skills and confidence, which will increase a student's understanding of the course material and improve academic performance. Our tutors have impeccable academic credentials and motivate and inspire students to learn by using positive reinforcement. They undergo rigorous screening including assessment of their ability to teach content material and a Pennsylvania criminal
