Hello all dog owners. Does your dog have any issues?

Does she pull on the leash, jump on to your furniture, or is she just unruly due to lack of training? Even if you have tried time and time again to train your dog, I may be able to help. I am a local elementary school teacher that will be holding training sessions. I have been training dogs ever since my childhood.

I will be providing weekly classes for basic dog training lasting 6 weeks. I will also be available to dog-sit if you are going out of town. For those intense dogs, or for better training results, I provide training on a week by week basis for your dog as she stays 24/7 in my home. You may e-mail if you are interested or to find out more information.

My rates are very.
