

Drummer and Bass player wanted for on going project (Dent)

Location **Kentucky** https://www.genclassifieds.com/x-696853-z

We are looking for a talented drummer and bass player for ongoing project we are a rock cover band and we do have an interest in throwing an original into our sets every now and then there are three of us who have been working on this project consistently with fill in bass players and fill in drummers we would like to find permanent people for these positions we already have people who would like to hire us we are flexible and play mainly Rock and Roll music if interested you can call me at the number listed we can talk about our song list and any subject you would wish to discuss thanks for your interest hope to hear from you soon call us and hear all we have to.
