

# Hire Us for your odd jobs

Location

**Kentucky**

<https://www.genclassifieds.com/x-696854-z>

My husband and I are looking for side jobs to make some extra money. We have worked in the same field for 5 years. We're very honest hard workers and can do just about anything we put our mind to. We make a great team. Send us an email and let us know what work we can help you.
