Need someone to haul tree branches or come chip them up. I only have a pickup with 6 foot bed. To give you an idea of what I have it would take me about 3 large loads to haul them away. Someone with a dump truck or trailer could get it in one load. I have a couple guys to help load or we can even load them all. Or if you have a wood chipper you could just chip it all. Price if nogotinal. Tell me what you would charge I need it done tomorrow any time and I will pay cash.

Call tonight up til midnight or text anytime day or night. Leave your name number and if you have truck, trailer or chipper I will call you right back. Will pay 75.00 to 100.00 or will negotiiate. Tell me your price.

Thanks. Call.
