

aquatic turtle

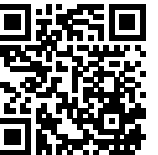

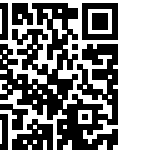

Location **Iowa**
<https://www.genclassifieds.com/x-696873-z>

I have two aquatic turtles, a southern painted, and a western painted. Looking to find a new home for one of them, as they're no longer getting along in the same tank.

I've had them since they were hatchlings, about 4 years, and their shells are now about 4-5 inches.

\$20 adoption fee.

If interested, please send me an email via.
