Hello There I just recently Moved to an apartment complex in Springfield And they will not issue me A parking pass to my vehicle because It is not registered, Because it has a Bad Transmission The shop is in can no longer keep it in there lot. I need Someone with a single home and extra Parking spaces in Drive way so I can Store my car Till I fix it or IF I sell it. Its an Acura Sedan an average size vehicle It is in great shape Just the Transmission is bad. It has to be Private Property Garage or Driveway somewhere where it wont get towed.

I am willing to Pay 80\$ a Month Till I figure out what I am going to do. Preffer Springfield/ Fairfax and other Surrounding areas.
