2007 Dodge Charger. Florida car, with Florida tags. Always kept very clean and maintained. Newer tires all the way around. Black cloth interior. 2.7 V6. True dual exhaust. Cold air intake. Bought and drove the car from Florida. Always been strong and dependable for me. No problems at all. Current daily driver with 147xxx miles. Full synthetic oil changes. Very clean exterior... Few scratches from normal wear, but very minimal. Aux hook up in the radio. Very nice vehicle!! Looking for cash mostly, but open to possible trades. Car is tagged in Florida so would have to be done at the bmv to have vin numbers checked. Feel free to contact me with any questions you may have! Phone call or text. Text mostly Saturday - Tuesday as I work all day. \$7,200 or best!!
