Holding auditions for three fashion models. Please send full name, D.O.B, cell number, model resume and six photos of any style. As a fashion model you will appear in our magazines/newspaper editorials and you might be chosen to be in a catwalk show. Fashion models appear in catwalk shows or in photographs for magazines, advertising campaigns, newspapers and look books. A fashion model works closely with stylists, hair and make-up artists, producers and directors. A fashion model will also spend much time going to castings for jobs, keeping in contact with the fashion model agency and looking after his/her appearance. To be a fashion model WE recommends that you should have the following measurements: Females: bust-waist-hip measurements of no more than 34-24-34 inches (86-61-86cms) and height of at least five feet five inches (1.72m). If you succeed with us, a career in fashion modeling can be highly rewarding with the chance to meet the best professionals in the industry, with opportunities to appear on the covers of top fashion magazines and promote top brands' products, the possibilities are.
