Stop by if you are looking for a new friend to love you unconditionally!

These cuties and others will be with us in the Pet Department near the back of the store from 10:30 a.m. - 2:00 p.m. Please consider opening your heart and home and giving one of these precious kitties a wonderful new life!

Pictured are a few of the kitties available for adoption Saturday October 10th at Farm & Fleet in Woodstock: Krystal (brown tiger)

Krystal is a 4 month old, long haired girl, She has adorable long ear tufts and loves to play, in fact it seems like she never stops. She is good with other cats of all ages.

All our cats and kittens have been spayed/neutered, vaccinated, microchipped, and virus tested. The microchip registration fee is prepaid on most of our adoptable cats. They also come with small bags of food and litter. If you have a cat carrier bring it with you so you have a secure way to transport your new kitty. A short application and adoption donation will apply. You can speed up the process by filling out the pre-adopt form on our website. For details on adoption and the pre-adopt form visit [http://asap-usa.org/site/Adopt\\_a\\_Kitty.html](http://asap-usa.org/site/Adopt_a_Kitty.html)

Each cat and kitten that finds a new home this weekend gives us the space and resources to rescue another. Our adoption will help us save the life of the next homeless pet that comes our way! To see our other adoptable kitties visit our petfinder page (not all will be at Farm & Fleet) <http://www.petfinder.com/shelters/IL551.html> If you have questions please call us at during business hours. (Please don't call Farm & Fleet, as we are

simply their guests at adoption events - they don't have any information about our adoptable pets or our programs.)

If you can't come see us this weekend, visit with some of our adoptable kitties in our kitty condo at Pet Vet Animal Clinic in Huntley during their normal business hours ( <http://petvetac.com/> ) , or view all of our adoptable pets online at [http://www.petfinder.com/pet-search?shelter\\_id=IL551](http://www.petfinder.com/pet-search?shelter_id=IL551)

~~~~~

Animal Services and Assistance Programs (ASAP) is a non-profit organization based in Marengo. Many of the cats we have available for adoption are part of our Trap-Neuter-Return Program, and were once owned and abandoned (or are kittens born to an abandoned mother cat). They live in a home environment; we'd love to help you select the cat or kitten that best suits your lifestyle. Most of our cats do well with other cats, dogs and children.

Interested in helping us save more lives? We need more foster families to help socialize kittens for a few weeks, getting them ready for adoption. Call us at for more information or to participate!

Have unowned cats around your neighborhood? Talk to us about low-cost spay/neuter options for those community cats so they don't have little ones. See us this weekend at Farm and Fleet, or call us during the week at for.
