

FOUND Great Dane with Red Bandana

Location Mississippi
<https://www.genclassifieds.com/x-697061-z>

When my girlfriend and I got back to her house, we found a Great Dane in her yard. If you are missing a solid black Great Dane (possibly a mix), please contact me. Gulfport PD has been contacted and the dog will be removed. I will relay any information I have if you contact me if the dog is already.
