

How much to fix this car (ballpark) (St. Louis)

Location **Missouri** https://www.genclassifieds.com/x-697136-z

I'd like to buy this car:

https://stlouis.craigslist.org/cto/ html

but I need to know how much to fix the right front, passenger door and put a new spoiler on. Any idea on costs? Other advise about this car would be helpful.!
