There is a stunning living area with high ceilings and has lots of natural light that flows in. This spacious home welcomes guests and residents. This home features 4 bedrooms and 3.5 baths, a two-story foyer, courtyard entrance and a private first-floor master suite. This is a fabulous style home with an updated kitchen. The master suite features an incredible shower, separate garden tub and dual vanities. Other options to consider include a bonus room, extended loft space, covered porch. The master has a walk-in closet and the bath has new tile floors. All new hardwood floors, under the newly installed carpet, upstairs. makes this a charming starter home. The backyard has a covered patio, that is great for entertaining.
