

## Need wood stacked or moved to other side of property (Buxton)

Location **Maine** https://www.genclassifieds.com/x-697169-z

I am a college student looking to make some extra money. I am willing to stack firewood and wrap it where you desire for a reasonable price to be worked out based on how much wood you have to move. I would be able to travel within Hollis standish gorham Saco Biddeford Scarborough south Portland areas. I cannot transport wood in my vehicle, but have no problem stacking it for you or relocating it into your basement. Thank you for reading and have a good!
