

## Mastermind Group Starting (Downtown Boise)

Location

## Idaho

<https://www.genclassifieds.com/x-697189-z>

I am starting a Master Networks Chapter here in downtown Boise, and am looking for small business owners or independent contractors that are looking for a networking group to be a part of to join me. I will host the mastermind group at my office conference room on Main street in the West End. There will be structured training material provided by Master Networks, as well as lead sharing and time to discuss challenges we are facing to leverage the experience of the entire group in solving them. Here is a little more info about the program:

<http://masternetworks.com/opportunities/chapter/>

Master Networks has a monthly fee of \$40/member (not paid to me) for us to benefit from the structure and support they provide. There are only 10 spots available, so feel free to email me if you want to participate or have any!
