

# Drummer looking to jam (Boise)

Location **Idaho**  
<https://www.genclassifieds.com/x-697191-z>

Hi my name is Jason and I am a drummer that is 40 years old. I'm looking to have jam out sessions with people interested and see where it goes. Nothing too serious yet but willing to make it serious with the right people. My main influences are heavy metal rock mainly metallica avenge sevenfold Megadeth, bands like that. If you want to jam out email.

Thank.
