I am looking to hire an assistant to perform with me in stage hypnosis shows around the New Orleans area. I perform once or twice a month, so this job is strictly on a temporary basis. I will pay my assistant \$150 per show for roughly 45 minutes of work.

Applicants should please submit a headshot along with any prior performance experience. Prior experience with hypnosis is a plus but not necessary. In addition, please tell me why you feel you would make a good candidate.

Thank you and I look forward to hearing from!
