

tow 8.5w x 20l x 13.5 h travel trailer (E Wakefield NH)

Location **New Hampshire**
<https://www.genclassifieds.com/x-697283-z>

Need to know today please. We need to tow a 9500 lbs gvwt dual axle trailer mobile home (20' long plus tongue/13.5 high/8.5 wide) from Wakefield NH to Salem MA (stays there 6-9pm) and then on to final destination in greater Newburyport.

The p.u. is 3 pm in E Wakefield NH, 03830; delivery to Salem MA by 5:30 pm; return 9pm to either Newbury MA or Salisbury MA (final is tbd). Your pickup should be short but strong (e.g., 3/4 to 1 ton). It's a 2 5/16ths ball to my knowledge. You'll do the hitch up. Your plate. Your insurance. This is not a 5th wheel. The trailer stays level with the ground and not lifted. All flat hardpacked surface.

All required please: I need a first and last name, a phone and an email please. Put "trailer tow" in the subject so I know it's not spam! Thanks for your.
