Savoy Park Apartments
<http://www.savoyparkapartments.com>

Welcome to Savoy Park, a distinctive rental community in the heart of Central Harlem. Located on Lenox Avenue within a sprawling 13 acres of green space and minutes away from several subway and bus lines, the units offer modern amenities on a site that's rich in history.

The 7 building campus occupies the block where the Savoy Ballroom once stood. The iconic club, known as "The Home of the Happy Feet", drew legions of revelers between 1926 and 1958. Legends like Ella Fitzgerald, Duke Ellington, and Count Basie provided the soundtrack of now standard jazz tunes that kept the stylish crowds stomping at the Savoy.

Today, Savoy Park sets a standard of its own. With spacious, newly renovated, NO FEE, studios, one- and two-bedroom units in a quiet, safe setting - it's ideal for families and young professionals looking for classic Manhattan living at a price that can't be beat.

Apartment features include:
 - Short Walk to the M7 and M102 bus or 2, 3 train
 - Lots of Closet Space
 - Live-In Super and On-Site Maintenance Staff
 - 24/7 Security

- Contemporary Laundry Facilities
