

On Golden Pond Etched Mirror

Location **North Dakota**
<https://www.genclassifieds.com/x-697350-z>

This is normally a \$70 mirror and it IS brand new!!

A pair of wood ducks glide across the water on a lazy summer day--a picture of peace and serenity.

Capture this tranquil scene in your home, in the highest quality etched glass decor available anywhere.

Framed with solid oak frames--no plastic, no resin, no "reconstituted wood products"--just the honest-to-goodness solid oak you find in hand-crafted furniture.
