

Free to a loving home

Location Ohio https://www.genclassifieds.com/x-697356-z

Five days ago myself and my husband found a box of kittens thrown out of someone's vehicle in my development. There are 3 left they are all black one male and two femails left. I can not keep them due to my dog does not like cats at all and none of the local shelters will help me take them in. Please help find these poor babies.
