We have three cost effective solutions to help you establish your startup, small, or home business. As an added bonus all three programs give you access to our meeting room space available by the hour or day. Mailbox- \$79/month gives you the use of our professional business address. Use it on business cards, letterhead, your website and Google maps!

Phone Answering- \$149/month Professional call answering for your business. Call patching and screening also available. Get a local metropolitan area phone number for your business.

Virtual Office- \$199/month combines our Mailbox and Phone Answering, plus two days of private office use and access to our other Twin Cities locations! This is our best value!

Call Beth or MacKenzie today and get set up!
