

A new way to trade, sell, or give away homegrownmade food (Portland)

Location **Oregon**
<https://www.genclassifieds.com/x-697416-z>

Ripelist is a mobile app we've developed here for the Portland community that facilitates the local exchange of homemade/homegrown food.

Think Craigslist -meets- farmer's market.
 It's mobile and free and the first of it's kind here in Portland.

We are currently in the testing phase so if you're interested and have an iPhone, sign up to download it and start trading! <http://www.ripelist.com>

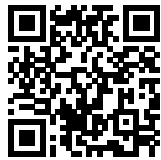

Thanks and feel free to contact me directly with any questions or ideas.
