Location **Wisconsin** https://www.genclassifieds.com/x-697475-z

Hello,

I have had an unused (still sealed in plastic wrap Mirro 22qt Pressure Cooker. This was given to me by my mother some time ago, and I have absolutely no use for it.

Would love to see it go to someone who will use it. I have opened the box, but the unit has never been used. So I guess it is "brand new."

Asking \$40 and can meet with you anywhere around Milwaukee / Waukesha.

Please feel free to call/text/email!
