Canvass Greyhound station for couples headed to Las Vegas. Pay is \$20 per couple to start, but depending on how many you book will quickly rise to \$35 per couple. Realistically you should be able to book 30 couples daily, but the minimum is 10. Only one or two people will be assigned to this location. Days and hours vary. Looking for someone willing to work a minimum of 4 days per week and up to 10 hours per day. The pay is very rewarding for someone with a great mouthpiece and able to get people to do what you want them to do. You're giving away gifts. The couple doesn't pay you or our company for anything. EVERYTHING is completely free in exchange for a few hours of their time.

After the first two weeks you'll receive:

Company uniform shirt  
 iPad to process bookings quicker  
 \$30 per month reimbursement towards cell phone bill  
 Company badge with photo  
 Company business cards with your name and contact information  
 Direct Deposit

We do pay weekly, every Friday. You can choose whether you want to be an employee (taxes deducted) or Independent Contractor (taxes not deducted)

Must be a self starter and work well independently. You will not be trained. You will not be supervised. We judge your work ethic based on results. Must have a printer to print a few pages each day you work. No more than 10.
