

Math Tutor Free Skype Consultation (Bellevue)

Location **Washington**
<https://www.genclassifieds.com/x-697522-z>

My name is Tim Del Mundo. I recently graduated in the Mechanical Engineering department at the University of Washington (2015). Also, a graduate of Newport HS (2011)

- I am effective at conveying complex and difficult to understand concepts into logically clear and concise parts.
- Rate of \$35
- All math courses: Algebra I/II, Geometry, Trigonometry, Pre-Calculus, Calculus
- Currently, I can only meet around Bellevue. We can meet in a public place like a cafe

Tutoring Style:

Very strong at relating math concepts to easy to comprehend examples.

Although I have a specific tutoring style, I have a good ability to adjust to others' learning styles.

Other Services

I edit papers and giving important and relevant feedback. You may e-mail me your papers, scan them or choose whichever method works best for you, and I will make corrections and helpful suggestions as need be, and send them your way ASAP. I will charge by the hour per paper, no matter the length.

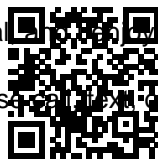

Referrals with hiring of any number of hours always receive a free additional one hour session.

I am a very busy individual and I know that! And I only have a few hours a week to help with math. If you are interested, please call, text or email me.

Thank you,
