Not sure you want to entrust your carefully crafted environment to a hastily assembled bunch of frat bros, train hobos, and ex-cons? I KNOW!!! (Believe me, we're all too familiar with the "giants" in this industry.) Next time you need to move, consider calling METROSEXUAL MOVERS; a boutique-approach to moving in which we craft our service around your specific needs and concerns. We distinguish ourselves through meticulous attention to detail, courtesy (dare we say charm?), punctuality and professionalism. We are skilled craftsmen with highly refined sensibilities and an (almost) excessive concern for your peace-of-mind come moving day. Visit to our site at <http://metrosexualmovers.com> or call us anytime at for a free estimate, or to discuss the details of your next move.
