

looking for a safe car

Location Vermont
<https://www.genclassifieds.com/x-699402-z>

This is the situation. Looking for a safe car to have kids in. Thought I had found one got burned after I bought it,Doesn't matter what kind 4 door would be good due to a car seat. I can afford 200.00 a month for payments. My credit sucks so I cant buy one from a auto place, If there is some one out there willing to work with me,
