Since 1982, The Denver Free Spanish Network-Spanish Language Meetup has helped beginners, intermediate, and advanced speakers improve their Spanish. We sponsor many weekly cultural activities, study groups and other Spanish related activities. We meet in private homes, restaurants and coffeehouses in the Denver area. Beginners, intermediate, advanced and native speakers of all ages and backgrounds are all welcome. We never charge to attend an event (although many are held at public venues that offer food and drink, etc) nor do we endorse any outside interests. We are about speaking Spanish, having fun and making new friends. Join us and practice your Spanish in a stress free environment.

We have close to 4,000 members with 45-50 meetups every month, all over Denver. All levels welcome!
