

## Looking for 18 Female Nude Photo Subject (Denver)

Location **Colorado** https://www.genclassifieds.com/x-699644-z

I am a hobby photographer with a few model shoots, sample work, and references, looking to do something a little more extreme. While I had done a nude shoot before, it was more... classy and tasteful. I am essentially looking for a pretty and fit woman that would like to do a nude shoot that pretty much leaves nothing to the imagination. More of a photo session with poses like you would see in an adult magazine.

You will be compensated for your time, and provided a CD or DVD of the images, as well as a signed slip stating I will in no way shape or form display said images anywhere. Why would you wish to do this? Maybe you are interested in sending in pictures to an adult magazine, or just want something to tempt and tease your significant other with. Or maybe you just want money, or to be naughty. Ideally you will be plenty comfortable with yourself and what is expected, otherwise the money may not be worth it to you.

If interested, contact me with any additional questions, or send a sample photo (clothed lightly) showing off YOU, and a little about you. I will only be choosing one or.
