Jizya, care to explain that in light of your claim no one is forced to join Islam?

Do you have any common sense? Do you read, and if so, do you understand what you read. Did you watch this video <https://www.youtube.com/watch?v=iHFgcRGlrH0&list=WL&index=6> and if so did you understand it? Tell me where Yusuf Estes forced these people that converted? If so, point us to the timestamp in the video.

Once again, ISIS was created by the Christian West and I have linked an ample amount of articles in this post <http://detroit.craigslist.org/okl/pol/html>. This is a mere fact and everyone in the right state of mind knows this fact. Just as 9/11 was an inside job and Saudi Arabia and Israel were behind it (the purpose of 9/11 was to give the US and excuse to stay in the Middle East for the next 30 years to fight the so-called "war on terrorism." in order to fragment the Arab world. Just as we created Al-Qaeda in 1980, we created ISIS in 2006 to fragment the Arab world and launch preemptive proxy wars on behalf of the US. Such as, Syria, Libya, Iraq, and Yemen. Everything ISIS has been doing is under the watch of CIA, every single ISIS member gets trained by the CIA under the so-called training and equipping the Syrian Moderate Opposition. Did you forget that Abu Bakr al-Baghdadi was in a US prison in Iraq and then he suddenly appeared behind John McCain in a pic in Northwest Syria <http://www.globalresearch.ca/new-york-times-fail-mccain-no-connections-to-isis/5409160>. Wake up and get your head out of your ass.

You only see the Yazidi women being tortured by ISIS? Did you know that ISIS has killed more Shiaa and Sunni innocent people than any other religion out there? Did you forget how many innocent Iraqi women were raped by the US army during the occupation of Iraq?
