Hi!

My name is Cooper White, I graduated from the Berklee College of Music, and I've spent the last 8 years performing full-time on cruise ships, road tours in the US, and hotels in Asia. I've taught off and on as well to a number of students. I've developed a hands-on method to teaching based on my experience performing. I'm very patient and absolutely love helping someone who wants to learn. You can check out a video of me playing sax and harmonica on cruise ship:

I'm currently available to give Skype classes on saxophone, blues harmonica, flute and clarinet. Classes will be on <https://takelessons.com/profile/cooper-w>

Feel free to check out my websites at:

Thanks and I hope to hear from you!
