Lead guitarist with vocal ability looking to start band. I need a versatile bass player and drummer well versed in blues, classic rock, and old school country. Want to try to keep it three piece so it would be a plus if you had vocal ability; lead and harmony. I also want to work a lot so if your looking to play 2 times a month, this is not for you. I have many years of pro experience, a place to rehearse with PA, in house drums, and a bass amp. I also have unlimited access to recording studio. This is a good opportunity for the right musicians. Please respond via phone or email. Leave a phone number if you reply by email. I am located approx. 16 miles from Ballwin, 10 miles from Eureka, 20 miles from Fenton, 14 miles from Washington and Union, and 4 miles from Pacific. Thanks,.
