

MXR Phase 90 (, USD)

Location **Pennsylvania**  
<https://www.genclassifieds.com/x-700233-z>

The MXR M-101 Phase 90 Pedal gives you classic phasing with variable speed control. Add shimmer to lead passages or jet-plane resonance to muted strumming. Not just for guitars; it works well with bass, keyboards, and even vocals. Vary the speed from a subtle, long cycle to a fast, watery warble with endless vintage vibrations in between. Please contact me via email or phone with.
