Are you a small business or individual seeking to increase your audience? Social Media sites such as Facebook, Twitter, and Instagram are a brilliant way to inexpensively promote your company and expand your clientele. I am a performing artist and social media marketing expert and have been using these tools to effectively promote my brand for years. These sites have helped me to gain thousands of new fans and make money doing what I love. I am offering my services in social media marketing and management as well as website development to help you expand your audience and make more money!

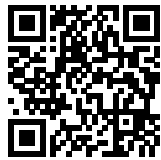

Here are some of the sites I currently manage:
