2004 F250 Diesel Super Crew (4 door), approx 260k miles. Previously used for service business. In Fair to Good condition for miles and age. Has some chips in paint where rocks were thrown by a lawn mower and a couple of minor dents. Headliner is starting to come loose at the very back but is a really easy fix. KBB Value approx \$10,000. Asking \$9400 if sold individually. *** REDUCED TO \$8900***

Also available:

2 GRAVELY Pro-Stance Zero Turn Mowers. Hour Meters do not work, but these were not used daily and were used in a service business not a lawn care business. Estimate each has less than 500 hours. One is a 1948 and other is 2352. 1948 is 19 HP, 48 inch deck with easy adjust deck (pull a pin and lift a lever) and 2352 is 23 HP engine with 52 inch deck that has a fixed deck (adjust deck height by moving spacers on the front wheels). \$2900 for 1948, \$2500 for 2352 mower.

2 generators - 1000W and 3500W. 1000W needs servicing (likely carb cleaned). \$350 takes both.

3 inch dirty water pump \$150. Both generators and pump \$450.

SELL ALL TOGETHER AS A PACKAGE FOR \$13,900 or buy individually for prices shown. *** REDUCED TO 12,500 FOR ALL! *** Call Todd (yes, I am in Fayetteville)
