

Drummer Looking For A post hardcore Band. Very experienced (Orlando)

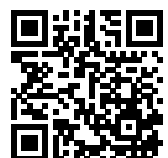

Location **Florida**
<https://www.genclassifieds.com/x-700674-z>

I am A drummer of 10 years looking for a post-hardcore band. I want to create something new, though. I want to tour and make a living from this. Preferably a band with both scream and clean vocals. I have stage ready gear. I have been on a stage numerous times so I know the drill. I practice at least 5 times a week. Text me anytime . Dillon.
