when people sell kittens for like \$20 - \$50. you should be paying for an already-fixed kitten & no that money that you paid for that kitten will NOT be used to fix the mother...plenty of programs out there to help with getting female cats as pets spayed & vaccinated. it is the scummy people who sell their kittens on C List for money without the kitten having been fixed & to a vet...The mother cats have babies over & over again...people have been arrested for abusing cats for letting them have litter after litter...these folks probably live in crummy small apartment & or will want to meet them somewhere in a car. Beware of folks who sell kittens without the kittens being payed or neutered. Go to a rescue group...go to a local animal shelter. dont let this scummy people who SELL KITTENS JUST O MAKE MONEY HAVE YOUR BUSINESS.. adopt from a rescue...Dont adopt from a
