I need to play some drums.
I've been on the island for 3 months and I feel like I'm dying from drum deprivation.
I'm not looking to start a band, but if that is what happens, then it happens. I just want to jam with some people. I don't have a kit, and the store in town doesn't have one set up. I'm 26 years old and I've been playing for about 6 years. I've been in a few bands and have done plenty of shows. My main drum influences are Brann Dailor, Keith Moon and Levon Helm. While I don't have the prettiest singing voice, I do sing while I play. I can rap a bit too. Though I really don't like my writing. I'd rather collaborate on something with someone.
If you want to start something, or just jam, please hit me up. I don't want to say this is desperate, but it's getting pretty close to.
